

## **BROCHURE 1 — 4-HOUR DPDP ACT & RULES INTENSIVE (FOR DPOs & PRIVACY LEADS)**

**“A fast, expert-level session for professionals who already know privacy — now need India-ready clarity.”**

### **Who This Workshop Is For**

This is a focused, high-impact session created specifically for:

- Data Protection Officers (DPOs)
- Privacy Managers & ISO 27701 Leads
- GDPR/PIMS practitioners
- Compliance & Risk Officers
- Senior Security & Legal Professionals

If your teams already understand privacy fundamentals and only need to know **what changes under India’s DPDP regime**, this is the right programme.

### **What You’ll Learn in 4 Hours**

This workshop covers the **operational essentials** that matter to experts responsible for implementation.

#### **1. DPDP Act 2023 & DPDP Rules 2025 — What Has Actually Changed**

- Act + 23 Rules + **7 Schedules**
- What the law is trying to solve
- India’s “accountability-first” privacy model
- Critical differences vs GDPR and ISO 27701

#### **2. Notices, Consent & Legitimate Use — Where Experts Go Wrong**

- Itemised data lists
- Language & accessibility
- Withdrawal parity
- Legitimate Use vs GDPR’s Legitimate Interest
- Pre-DPDP consents — what must be rebuilt

#### **3. Retention & Erasure — 7-Schedule Structure**

- **Default rule:** purpose completion + 1-year logs
- **Third Schedule:** 3-year inactivity + 48-hour pre-erasure for large platforms
- **Seventh Schedule:** mandatory 1-year retention for sovereign/statutory functions

#### 4. Rights Handling — The 90-Day SLA

- Verification
- Refusal logic
- DSAR register structure
- Nomination rights
- Audit trail expectations

#### 5. Children + PWD Processing — High-Risk Regime

- Verifiable parental consent
- Guardian verification under RPwD / National Trust
- Schedule IV carve-outs

#### 6. Significant Data Fiduciaries (SDF)

- Criteria, designation triggers, obligations
- DPO reporting to Board
- DPIA + algorithmic due-diligence

#### 7. Breach Response

- Immediate DP notification
- Immediate + 72-hour DPB submission
- Evidence, logs, investigation notes
