Why train with Pricoris

Pricoris was founded in 2019 and works with clients in aviation, banking, consulting, healthcare, infrastructure, manufacturing, mining, telecom and travel across India, the Middle East, APAC, the USA and the UK. Our trainers deliver the same standards they audit and implement every week, so every course is grounded in real audits, real findings and real implementation projects.

Practitioner trainers

Lead tutors and lead auditors with 30–50 years of combined industry, audit and teaching experience.

Live and interactive

Virtual, instructor-led sessions with case studies, workshops and mock audits, not recorded lectures.

Weekend and weekday batches

Choose a schedule that fits around work: weekend batches for working professionals, weekday batches for faster completion.

Corporate and in-house batches

Any course can be run privately for your team, tailored to your sector and your own management system.
